*Enlightenment through Education*

Ref. 8/Feb

Date: 06/02/2026

It has been observed with concern that there is an alarming decline in the number of students pursuing studies in Basic Sciences and Mathematics, both at the national level and within our state. The Internal Quality Assurance Cell (IQAC) of Khalisani College has been actively addressing this growing lack of interest in science and mathematics among students. In this context, the IQAC has approached CIMPA (Centre International de Mathématiques Pures et Appliquées), an international school of mathematics and a UNESCO-listed organization that promotes research and training in mathematics and allied disciplines. As part of its outreach programme, a CIMPA delegation will visit our campus on 8th February 2026 to interact with an undergraduate institution like ours and to discuss possible avenues of academic collaboration, funding opportunities, and resource mobilization in research and training of broad arena of Mathematics. This visit presents a unique opportunity for our college, particularly for the IQAC, to engage with leading academicians of our country and across the globe to explore pathways for reviving and strengthening our legacy in mathematics and science education through global knowledge sharing.

All faculty members and students are cordially invited to attend this meeting on 8th February, 2026 at 11:00 AM in the College Auditorium.

In this regard, our college sincerely acknowledges the Department of Mathematics, Jadavpur University, and the CIMPA Office, France, who are currently in active collaboration with each other, for selecting Khalisani College as an alternative venue to discuss and deliberate on academic issues of great significance.

Speakers-

Dr. Nicolas Bedaride, Professor, Aix Marseille University, France, CIMPA REPRESENTATIVE.

Dr. Dan Popovici, Professor, University of Toulouse, France, External Coordinator of the CIMPA RESEARCH SCHOOL

Dr. Arindam Bhattacharyya, Professor, Dept. of Mathematics, Jadavpur University, Internal Coordinator of the CIMPA RESEARCH SCHOOL

Dr. Subhas Mondal, Professor and Head of the Dept. of Mathematics, Jadavpur University.
