Date: 26/08/2023

Dear all,

The IQAC of our college has initiated a series of anti-ragging awareness programs in our college and as a part of it, on 25/08/2023, we have done a poster campaign against ragging at different places of our college. Moreover, students, teachers and non-teaching members of our college were together in a procession inside the campus to raise our collective opposition against any sort of ragging, be it physical or mental, against any of our newly admitted students. Senior faculty members, with their brief speeches, made us aware about several measures formulated by the UGC and the Govt. of West Bengal to curb the menace of ragging in college campus.
