Notice No: 32/Jan

Date: 24.01.2024

This is for information of all concerned that normal classes of all Honours and General programmes for 5th Semester will remain suspended on and from 25.01.2024 so that the students can have ample time for preparation for the ensuing theoretical examinations. However, faculties may arrange remedial sessions for academic mentoring, if required, by communicating with the students of respective departments.

I will take this opportunity to convey the best of wishes to the 5th Semester students for the ensuing Examinations.

The students of Fifth Semester are also requested to take note of the schedule and venue as published in the University and College website and act accordingly.
