NOTICE NO: 26/Dec

DATE: 27-12-2022

Students of our college has always been the driving force behind all our progressive endeavours. Keeping this in mind the IQAC of our college has taken a new initiative. We invite our students to write and compose a song commemorating 50 years of our existence which we couldn't celebrate due to the covid pandemic. Creating a song for your own college is not a competition but an act of association. A panel of musically conversant teachers would be helping and judging you while you probably be attempting to write your first song. The best song selected would be felicitated by the college authority. We hope students would welcome such a move and would participate in this out of the way venture. Happy New Year in advance!

- You can contact AC, JB(G), PRS and SM-2 in this regard
